

## **IMMIGRATION LEGAL AND SUPPORT RESOURCES**

---

The University of Michigan Office of the General Counsel does not represent faculty, staff, or students in personal legal matters outside the scope of their business as university officials. We have prepared this list of resources to assist you in identifying an immigration specialist that can properly assist you with your unique immigration legal needs. We highly recommend that you consult with an immigration attorney before making any decisions that may impact your immigration status. We do not endorse or recommend any particular service provider but offer this information as a general resource.
